

Dear Parents/Guardians,

I would like to take this opportunity to introduce myself! My name is Christina Farley and I am your son or daughter's new band teacher for this upcoming school year. This letter is just a quick message from me to you, in order to help you get to know me a little more! Please expect to be invited to a "New Director Meet-and-Greet" in an upcoming month.

Originally, I am from Sullivan, Illinois - I graduated in 2012. I then went on to obtain my Bachelor's in Music Education from Eastern Illinois University, graduating in May 2017. I completed my Practicum Teaching in Chrisman, Illinois - under the supervision of Mr. Jeff Nelson - and my Student Teaching in Marshall, IL, where Mrs. Heather Setzer was my mentor. This will be my first year teaching, and I could not be more excited to begin my career at Mayo Middle School!

I realize that I am young and brand new to teaching, but I am beyond excited to be working with not only your child, but also the staff at Mayo, the community of Paris, and you - the parent of my student!

Soon, you will be receiving information on the summer lesson schedule and a day in June during which I will be meeting with each grade level for small group lessons. Please know that I realize this might be a little different from the way things have been done in the past few years, but I am trying my hardest to be organized and get the year, and the students, off to a good start! When lessons begin, please expect a Band Handbook to come home with your child explaining more in-depth information on what to expect as a member of our band family.

I promise you the best of myself for your son or daughter, each and every day. I look forward to meeting you soon!

If you have any questions, please do not hesitate to contact the school, Mr. Larson, or myself.

Warmly,

Christina Farley
