Dear Student:

On behalf of the faculty of Mayo Middle School, we are proud to inform you that you have been identified as being academically eligible for consideration for membership in the Mayo National Junior Honor Society. Eligibility is determined by your cumulative grade point average, which must meet or exceed our chapter's standard for scholarship currently set at 3.25 on a 4.0 scale. You can be proud of this personal accomplishment, which serves as the first step in our selection procedures.

You are now eligible to submit additional information for consideration by the chapter's faculty council, which will carefully review your credentials. In addition to the scholarship standard, membership in MNJHS is also based on standards of service, leadership, character and citizenship. To be selected as a member of MNJHS, you must demonstrate on your candidate information form that you have met or exceeded these additional standards.

The deadline for submitting your completed form is **Friday, February 22, 2019. This year the application form is available on the Mayo Website under Students. Students may type in their information and print it out. A paper form of this application is also available in front of the Mayo office.** We are offering after school workshops for applicants on February 12, 14, and 21. **Turn in your forms directly to the tray in the office.** Candidates will be notified of the results of the selection committee by March 8<sup>th</sup>.

Again, congratulations on being identified as an eligible candidate for MNJHS.

Sincerely,  
Mrs. Thomas  
MNJHS Advisor
