- At 12:30 – Teachers need to be in the gym. The band and choir will be playing. All athletes will be introduced.
- At 1:30 – Students will return back to their advisory. Teams need to designate teachers to go on playground or teachers to re-teach boot camp centers. I have included a list of the room break-up. For example, 8<sup>th</sup> Grade Group A will be in Academic Expectations for 30 minutes, and Group B will be in Behavior Expectations for 30 minutes. Then the rooms swap. Teachers need to discuss with their team leader where they need to go. Team Leaders will send me a list of everyone’s locations.
